EDUCATION

Anil Neerukonda Institute Of Technology And Sciences , Visakhapatnam   **2021 - 2025**

B Tech (Bachelor of Technology) Computer Science Engineering (AI&ML) (8.40 CGPA)

Ascent Junior College, Visakhapatnam   **2019 - 2021**

Intermediate_MPC (95%)

Little Angels School, Visakhapatnam   **2009 - 2019**

Central Board of Secondary Education (92.5%)

SKILLS

Frontend: HTML, CSS

Python, Data Science & Analysis

Databases: SQLite

Other skills: AI / ML, C, Data Structures & Algorithms,

Git, Java, NumPy

CERTIFICATES

NPTEL Certificate

Gained proficiency in the Deep Learning course covering the important topics like Artificial Neural Network, Natural Language Processing and more.

Data Science with Python Certificate

Gained proficiency in fundamental Data Science concepts that include exploratory data analysis regression associative data analysis and more

Explore Machine Learning using Python

Acquired knowledge of machine learning and exploration using python.

ACHIEVEMENTS

Acquired certificate in **NPTEL Deep Learning Course** conducted by IIT Madras
